

## Wait List Form

Although we cannot guarantee placement, we do anticipate openings during the next 6 months. If an opening becomes available for your child we will contact you using the phone number and/or email you submit. You will have **24 hours** to notify the office that you are still interested in a position at Bloom Academy before we move to the next family on the waiting list. At that time you must have your enrollment forms completed (download from [www.bloompuntagorda.com](http://www.bloompuntagorda.com)) and ready to submit with a check to guarantee your spot. We suggest you prepare these forms now if you are serious about enrolling your child in Bloom Academy.

### Wait List Fee:

- If you are offered a place at Bloom Academy and accept, the \$15.00 wait list fee will be applied to your registration fee.
- If you are offered a place at Bloom Academy and decline, the \$15.00 wait list fee is forfeited. No Exceptions.
- If you wish to be removed from the wait list and notify the office manager, in writing at [caseybloompg@gmail.com](mailto:caseybloompg@gmail.com) **before a placement is offered**, you can request a refund of the wait list fee.
